Gifts of Securities

A gift of securities enables you to create a meaningful planned legacy gift with Clements Centre Society (Charitable No.107269466 RR 0001) while also providing significant tax advantages.

Current Canadian legislation allows you to donate publicly traded securities, mutual funds, and bonds to registered charities without having to pay capital gains tax. You receive a receipt for the appreciated value of your gift (calculated on the date of transfer) and, under current tax rules, the securities you donate will be exempt from capital gains tax -- but please note, only if you transfer them as an in-kind donation. The capital gains tax exemption does not apply if you first sell the securities and then donate the cash proceeds.

The procedure for gifting securities is straightforward. Following your donation of publicly traded securities and/or mutual funds, we will issue a charitable tax receipt based on the closing value of the shares on the date they are received into our brokerage account.

The Donation Process

You may directly gift your securities to Clements Centre Society, or you may make a gift of securities using CanadaHelps.

1. Please contact our fundraising department about transferring your securities gift. Please provide your contact information, approximate donation value, and the date you intend to make the gift so that we can help make your gift process as easy as possible.

2. Please ask your broker to use their "Securities Transfer to a Third-Party" form and send a copy via the above-listed email address to Clements Centre Society. Your broker will need our information – please find information on the following page. Alternatively, you may make your securities gift using the CanadaHelps securities gift option. You will need the information on the attached form to make this gift transfer. Your receipt for tax purposes, will in that case, will be issued by CanadaHelps and not Clements Centre Society.

If you are making a gift of securities directly to Clements Centre Society, please instruct your broker to complete the transfer. Sending a copy of the attached form to your broker may provide sufficient authorization. You may also wish to follow up closely with your broker to help ensure your instructions are carried out promptly as you prefer.

Thank You!

Gifts of Securities

Why would I consider donating securities instead of donating proceeds from the sale?

Here is an example:

A donor is considering a \$25,000 donation to Clements Centre Society. She owns publicly listed securities worth at least this amount and is in the 48% income tax bracket. This year, she has made other charitable donations exceeding \$200.

	Sell Securities and Donate Cash and Proceeds	Donate Securities to Clements Centre for Families
Fair market value of securities (FMV)	\$25,000	\$25,000
Initial cost of securities	\$5,000	\$5,000
Capital gain (FMV less cost)	\$20,000	\$20,000
Taxable gain	\$10,000 (50%)	\$0 (0%)
Tax payable on gain (at 48%)	\$4,800	\$0
Charitable gift receipt	\$25,000	\$25,000
Tax credit (at 48%)	\$12,000	\$12,000
Net tax benefit from donation (tax credit minus tax payable on gain)	\$7,200 (Tax Savings)	\$ 12,000 (Tax Savings)

The donor will eliminate her capital gains tax by donating the securities directly to Clements Centre Society instead of selling the securities and donating the proceeds. **The remaining tax credit from her donation will reduce her other tax payable by \$12,000.** This tax credit can be carried forward for up to five years.

Income tax and tax savings are for example purposes only and are approximate. We recommend you discuss your gift intentions with your financial, legal, and/or tax advisors.

NOTE: Clements Centre Society strongly recommends that a donor consult their own professional advisors, family, and heirs prior to making any significant gift decisions.
